PSD Signature Card Guidance Notes

Please read these Guidance Notes carefully before you complete any part of this form.

If you are acting on behalf of the registered holder, please ensure you understand which sections of this document you must complete and the information we require.

If ALL holders/representatives do not complete this form fully and correctly, or you return it without the Share Dealing Form the instruction will be returned without being actioned.

This form MUST be returned together the Share Dealing Form you have been sent in the reply paid envelope provided.

Registered holder(s)	Complete Section 1 with your details
If the registered holder has died	Executor(s)/Administrator(s) must complete Section 1 using the deceased's details and sign as themselves.
Other legal representatives (eg: Power of Attorney etc.)	Complete Section 1 with the registered holder(s) details AND Section 2 with your details.

The following applies to both Sections 1 and 2

- (1) Full name
- (2) signature
- (3) date of birth
- (4) Country You must state the country of your nationality. If you hold more than one nationality you must list the countries (up to 3) in the order they appear on the National Client Identifier Guide enclosed. *Example: if you hold dual nationality with Croatia and Czech Republic, you must list Czech Republic first as this appears first on the National Client Identifier Guide.*
- (5) Primary You must state the details from the Primary National Client Identifier of your first listed country from the National Client Identifier Guide enclosed. If there is a Primary and Secondary National Client Identifier listed for your country you must always supply the Primary National Client Identifier if you have it. If you do not hold this, you must place a X in the box to confirm.

Example below: we would want you to add your National Identification Number (Rodné číslo).

- (6) Secondary If your first listed country has a Secondary National Client Identifier listed, and you do not hold the Primary National Client Identifier, you should provide the details from the Secondary National Client Identifier. If you do not hold this you must place a X in the box to confirm.
 Example below: If you did not hold National Identification Number (Rodné číslo) but have a National Passport Number, you add the details from that to the form.
- (7) Corporate bodies only Please refer to the 'General' page for requirements on signing the dealing form. You must provide your Company Number as well as your Legal Entity Identifier (LEI). Any forms received without this will be returned unactioned.

Country (4)	Primary National Client Identifier (5)	Secondary National Client Identifier (6)
Czech Republic	National Identification Number (Rodné číslo)	National Passport Number.

You must provide details for Country 1 only. If you have dual nationality, please <u>DO NOT</u> provide any details for any other country if you do not hold the National Client Identifiers for Country 1.

If you do not have a Primary or Secondary National Client Identifier for Country 1, please make sure you tick both boxes to confirm.

If you are a citizen of **Estonia**, **Iceland**, **Italy**, **Malta**, **Poland**, or **Spain** and you cannot provide any of the National Client Identifiers requested, trading rules prevent Equiniti from accepting your instructions to trade. This means that your instruction will be returned without being actioned.
